

The Golf Scene The Ultimate Interactive Golf Reference

“An important aid for anyone who plays golf, especially useful for youngsters and beginners”. *Peter Alliss* the recognised ‘voice of golf’

"I must say I was extremely impressed with how informative it is, not just for the beginner but for the experienced golfer too. I believe this is a very useful tool for all age groups and standard of player and I don't think you have left any stone uncovered". *Justin Rose PGA Tour Professional*

What is The Golf Scene?

It is a fantastic new interactive resource for golfers and we highly recommend **The Golf Scene** to all new golfers, especially juniors. It is a very comprehensive ‘encyclopaedia’ of golf which will be constantly referred to for years to come.

It is easy to use and the information it contains will:

- ◆ enhance your knowledge of golf
- ◆ leading to increased confidence on the course
- ◆ it will help you to improve and develop your skills
- ◆ it will increase your enjoyment of the game of golf
- ◆ answer many of your questions about the game

To order simply complete and hand in the tear off slip at the bottom of this page.

What's on The Golf Scene DVD-ROM?

Before You Play includes **Points to Remember** covering a series of basic behaviour and actions which all golfers should know and practice from day one. It also has a **Clothing** section giving advice on what to wear, what to have in your golf bag, etc. Plus **The Clubhouse**, **Where To Play** and **How to Meet People**.

On The Course The best way to learn the all about those boring rules and etiquette. This entertaining video quiz is great fun and very effective, it includes:

- | | |
|--|---|
| Around & About - 12 video quiz questions + 9 info pages | On the Tee - 15 video quiz questions + 10 info pages |
| On the Fairway - 30 video quiz questions + 15 info pages | On the Green - 31 video quiz questions + 8 info pages |

Balls in unusual places has 36 photographs of balls in places where they shouldn't normally be and tells you what to do!

Plus **Golf Language**, **Finding Your Way Around** and **Scoring**.

Competitions and Handicaps - information on 15 different golf competitions, how to get and maintain a handicap, etc.

Equipment, a section which contains a great deal of information on clubs, balls, trolleys, accessories, etc., with useful advice for both beginners and advanced players.

Coaching - covers all the basics, designed to act as a reminder, complementing professional instruction.

Plus: sections on **Golf Fitness**, **the Pro Shop**, **Rules of Golf**, and much more.
